# KMWSCares

KMWSCares- An initiative of Kolkata Mary Ward Social Centre is in the forefront from **12th of May 2021** to fight the hunger for the Covid patients. The wave of coronavirus is leading to the second pandemic i.e. HUNGER. Thus, this initiative is taken by Kolkata Mary Ward Social Centre to support the needy Covid patients and their families who are suffering from the hunger crisis.

## Inauguration of KMWSCares

On the day of inauguration, Sr. Flora and all the sisters of Loreto Entally bestowed the event with their presence. Fr. Patrick presided over the rituals and Sr. Flora, Sr. Geraldine and Entally Community for joining the rituals of inauguration

We were indeed thankful to Sri Abdulla Sana, Officer in charge of Entally Police Station, who also had conveyed his wishes to our Director Sr. Monica Suchiang over phone in our new efforts.

Kolkata Mary Ward Social Centre has been serving our less privileged brothers and sisters since 2014 through different social development projects. Today, our country is going through a very tough time, number of COVID positive patients in our city is rising on a daily basis, confining citizens in their homes, KMWSC, as a socially responsible Organization chose to venture out and help the COVID affected patients who are confined to their homes providing freshly cooked meals to COVID infected patients and families in their homes. Our small endeavor helped these families not to remain hungry at their critical moment. This small effort was named as KMWSC Cares. Each staff contributed as a gesture of giving that brings in bounty.

Presently, we are targeting 230 meals every day. We are indeed thankful to the Loreto Congregation for providing us with an Ambulance, using which meals are being delivered to the COVID infected patients and families. However, as we serve the patients, we also ensured safety of our staffs involved in such operations.

The Organization has developed a Standard Operating Procedure for its frontline workers to keep them safe as they go out to serve the beneficiaries and this service was also made available to the beneficiaries absolutely free. With the collaboration from Kolkata Municipal Corporation, KMWSC also reached out to the poor Covid patients and their families who lived in the Safe Home beside Science City. Around 230 plus Covid patients stayed in this Home provided by KMC.
