## To mark the death anniversary with our children

Food was distributed to the children from Hidden Domestic Child Labour Project in honour of the death anniversary of an elderly lady, her husband distributed food among the children of the MACs under Hidden Domestic Child Labour Project. It was a kind gesture by the person to think for these children and served them with cooked and delicious food along with desert. The children were very happy and joyful after the small feast and were thankful to the person. They were grateful for the food and also interacted with the elderly man at the end of the distribution for thanks giving.

## Placement of our students

A job fair was attended by the students from Skill Development Project under the Beautician unit. They appeared for Interview looking for Placement under various companies. 6 eligible students were selected by the team to sit for the interview. This was initiated to empower these students after the completion of their course from KMWSC.

Out of the 6 candidates who appeared for the interview, 4 candidates were shortlisted at various companies. They will be called for the second round of interview by the next quarter.
